

# ProCAT

# Winner™

Voice Recognition Edition

We put the intelligence in the software so you can do your magic! Consider these awesome features:

- ✓ Choice of Dragon or IBM ViaVoice
- ✓ Three audio tracks synchronized and linked to your cursor movement
- ✓ Automatic number processing
- ✓ Case Management - gives you the ability to keep transcripts within a specified case name and burn to a CD by simply a click of the mouse
- ✓ Unlimited Databases - never cut & paste again. Just fill in names, addresses, and counties with a single click
- ✓ Export to PDF, RTF, PTF, ASCII, TXT and HTML
- ✓ Single-pass editing – reduce your transcript production time
- ✓ Artificial intelligence-based formatting features
- ✓ Voice training as you edit
- ✓ Spell checker and thesaurus
- ✓ Superior technical support with unlimited calling, and much more!

Complete System Including:  
Laptop, Software,  
Dragon/ViaVoice, Support,  
and Training.
